Dear Congresswoman Fiedler:

Your June 5th communication to Special Agent Moschella concerning an inquiry made of your office by [redacted] has been brought to my attention.

The interest which prompted [redacted] to write

for the FBI to furnish any comment at the present time. I hope  
you and [redacted] can appreciate our position in this matter.

That individual, according to doctors, was obsessed with Nazism that he was capable of subversive activity if exposed to leadership. On 3/20/85, ARDIE MC BREARTY was charged with ITSP--Stolen Money and considered armed and dangerous because of his association with the ARYAN NATION. Handling of attached discussed with SA [redacted] CID. ENCLOSURE

## **Man nabbed for Brinks robbery**

BENTONVILLE, Ark. (AP) — A member of the neo-Nazi organization known as The Order, which the FBI believes robbed a Brinks armored truck of \$3.5 million in California last year, has been arrested in Gentry, the bureau said today.

Special Agent Jim Blasingame said Ardie McBrearty, 57, was arrested at the house he was renting in Benton County.

A warrant for McBrearty's arrest was issued March 20 at Boise, Idaho, charging him with receiving stolen money from the Brinks truck robbed

in Ukiah, Calif., on June 19.

The FBI says The Order, a faction of the Aryan Nations, a white-supremist organization, carried out the robbery. Blasingame said McBrearty is a member of The Order.

McBrearty's home was being searched Wednesday, and he was to be arraigned before a U.S. magistrate in Fort Smith.

Blasingame said other locations in northern Arkansas have been recently searched by the FBI to find more information about the robbery.

OO: LITTLE ROCK

All pertinent communications between FBI field offices in this investigation have been furnished to FBIHQ.

Investigation began May 10, 1988, upon receipt of a letter by the Minneapolis Division from [redacted] registration number [redacted] FCI, El Reno, Oklahoma. [redacted] was interviewed on May 10, 1988, by Oklahoma City Division and related to the FBI a conversation he had had with ARDIE MC BREARTY, registration number 09607-016, FCI, El Reno. MC BREARTY allegedly told [redacted] "We are going to send a bomb to [redacted] AUSA, and that other prosecutor from Washington, D. C."

b6  
b7C  
b7D

MC BREARTY is a level 4 security classification inmate at FCI, El Reno, and is presently serving a 40-year-sentence for Racketeering, Murder and Conspiracy. [redacted] and 13 other defendants were prosecuted by victims [redacted] in a "white supremacist trial" in Fort Smith, Arkansas, in 1988, after having been charged with Sedition. All 14 defendants were found not guilty and according to [redacted] MC BREARTY and his co-defendants were unhappy with the Government prosecutors because they feel they were prosecuted unjustly.

On May 10, 1988, the following individuals and agencies were notified of the above threat:

1. Victims [redacted]
2. U. S. Marshals Service, Western District of Arkansas, Fort Smith, Arkansas;
3. U. S. Secret Service, Fort Smith;
4. U. S. Postal Inspector, Little Rock, Arkansas;
5. BATF, Little Rock;
6. Fort Smith Police Department.

Since victim [redacted] lives and is employed in the Washington, D. C., area, the same agencies as listed above were notified in Washington.

b6  
b7C  
b7D

Close liaison has been maintained from May 10, 1988, to the present with the U. S. Marshals Service, Western District of Arkansas, Fort Smith, concerning the threat to AUSA [redacted]. Until recently, AUSA [redacted] received no mail at his residence and all mail for the [redacted] home has been x-rayed by the U. S. Marshals Service in Fort Smith prior to it being received by AUSA [redacted]. This precaution with AUSA [redacted]'s mail has been discontinued and AUSA [redacted] now receives his mail at home.

[redacted] has been recontacted on several occasions by the Oklahoma City Division and has repeatedly refused to take a polygraph examination offered by the Oklahoma City FBI. [redacted] indicated he would cooperate further if he was transferred to an FCI of his choice and also received job placement and living space that was also of his choice. [redacted] is known to the FBI in Minneapolis, Oklahoma City, and Little Rock as very eccentric, a letter writer, a known jailhouse snitch, and a known schemer to obtain incriminating information on right wing criminal defendants. AUSA [redacted] is well acquainted with [redacted]

LR 89E-174

and, in fact, [redacted] was brought from the FCI, El Reno, to Fort Smith to be interviewed by AUSA [redacted] prior to the above-described sedition trial. Attorneys [redacted] did not call [redacted] as a witness in this trial because of [redacted] unreliability and his eagerness to furnish testimony for the Government in return for favors. In captioned investigation it appears that [redacted] may be trying to use his information to manipulate the FBI and the Federal prison system and since he refuses to take a polygraph examination, it cannot be determined if he is lying or telling the truth.

b6  
b7C  
b7D

The investigation, however, continued and did include an unsuccessful attempt to interview subject ARDIE MC BREARTY.

Since no investigation remains outstanding and allegations from [redacted] cannot be substantiated, Little Rock is administratively closing this case. The United States Attorney in the Western District of Arkansas, Fort Smith, has been advised that captioned case will be administratively closed by the FBI and he concurs.
